JACKSON BEHAN

161 Brevator St. Albany, NY 12206
(914) 906-9416 - jb681831@gmail.com

Summary & Objective

Seeking a software developer position with a company that fosters growth and development.

Experience

Let's Rally, Las Vegas, NV   December 2015 – August 2016
Front End Developer

- Developed www.entitywagering.com, www.workinprogress.lv, www.capriottis.com, using HTML5, Sass/CSS3, AngularJS, JQuery/JavaScript and Wordpress.

Remark Media, Las Vegas, NV   June 2014 – December 2015
Junior Developer

- Wrote a rails program that generates spreadsheets of sales report data and Google Analytics data for bikini.com using Amazon, Shopify, Square and Google Analytics APIs.
- Developed the website www.slaptv.com using Drupal.

Dev Bootcamp, San Francisco, CA   February 2014 - May 2014

Dev Bootcamp is an intensive programming accelerator for training full stack web developers with an emphasis on JavaScript and Ruby on Rails

- Dedicated over 1,000 hours to coding challenges, group projects, and self-guided learning. Over half of this time was spent in pair programming sessions
- Created and deployed web applications using Ruby on Rails, JavaScript, HTML5/CSS3, jQuery, AJAX, ActiveRecord and Sinatra
- Carried out best practices using Object Oriented Design (OO), Model View Controller (MVC) and RESTful patterns
